Trexler Trust Awards Nearly \$5.9 Million to Lehigh County Charities

Allentown, PA – The Trustees of the Harry C. Trexler Trust have awarded grants to Lehigh County charities and the City of Allentown totaling \$5,888,949.

The 2018 awards were made after extensive review of more than 130 requests from charitable organizations seeking funding. Of those charities making a request, 95 were awarded a total of \$3,925,966. The City of Allentown was awarded \$1,962,983 for the “improvements, extension and maintenance of all its Parks”, as stipulated by General Trexler’s Will.

Jamie P. Musselman, Trexler Trustee and Chair during the 2017-2018 fiscal year, said, “The Trexler Trust is a community-based funder that awards grants to organizations working for the benefit of the Citizens of Allentown and Lehigh County. As Trustees, we are charged with the responsibility of understanding the needs of our community as expressed through the requests of the many agencies that serve it. We are fortunate to have so many well-informed, compassionate people leading our charitable organizations. These agencies are populated with people of irrepressible compassion and philanthropic ingenuity that they use daily to offer creative solutions to our local problems. The work of the staff and volunteers of these organizations is praiseworthy and humbling.”

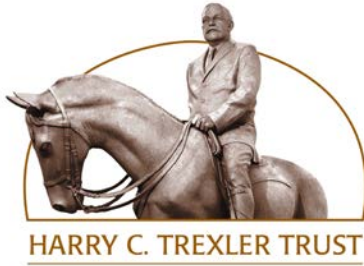

Ms. Musselman said further, “The proposals for funding from the 2018 distribution called for resources to serve at-risk youth, the elderly, the homeless and the working poor, while uplifting the spirits of all local residents. While we codify grant awards by assigning them to specific categories, those categories rarely, fully define their true philanthropic purpose. Organizations regularly serve in multiple ways that impact our community deeply and broadly.”

Including the award to the City of Allentown, the percentage of funding for Parks and Recreation was 35% of the total awarded or \$2,058,983. Programs and services for the Disadvantaged received \$1,312,088 or 22%. The category of Culture received \$1,061,000 or 18% of the distribution. Educational programs were awarded \$874,378 or 15% of the distribution. Programs and services specifically for Youth received \$319,500 or 5%. Healthcare services were 4% of total funds awarded or \$203,000. Senior programs were awarded 1% or \$60,000. A full list of agencies and their awards is attached.

The Trustees annually submit a detailed accounting of their activities to the Orphans’ Court of Lehigh County. This accounting includes the schedule for distribution to Lehigh County charities. Upon adjudication of the account by the Court and the expiration of a twenty-day waiting period, funds are disbursed to the charities.

The Trexler Trust was established by the Will of Harry C. Trexler after his death in 1933 and the death of his wife, Mary Mosser Trexler in 1934. In 1935, the Trust made its first distribution of \$165,827.10. During 84 years of grantmaking, nearly \$155 million has been awarded to the City of Allentown and Lehigh County charities for the benefit of Lehigh County citizens.

The Trustees of the Harry C. Trexler Trust are appointed by the Orphans' Court of Lehigh County. The Trexler Trustees, listed by length of service, are: Malcolm J. Gross, Senior Partner of Gross McGinley; Barnet H. Fraenkel, Senior Vice President, Wealth Management at Morgan Stanley; Jamie P. Musselman, President of Musselman Advertising, Inc.; L. Charles Marcon, President of Duggan and Marcon, Inc.; and J. Scott Pidcock, Principal of The Pidcock Company.

General Trexler's Will directs his Trustees to make *grants for such charitable organizations and objects as in their discretion shall be of the most benefit to humanity, limiting them, however, as to locality, to the City of Allentown and the County of Lehigh.*
